Abba’s House Sets June 18-June 24, 2016 for Chinandega, Nicaragua Crusade

Voice of Hope Ministries and Abba’s House will team up for their 3rd Crusade together in Central America. Their partnership will continue a successful and fruitful message. Voice of Hope has a long history of working in different cities throughout Nicaragua and the power of the gospel has had and continues to have a great impact on the people who are living in these areas. God is truly opening hearts here in Nicaragua to Him and changing lives forever. There will be thousands of times that the Gospel will be presented to people on the streets, in fiestas, and at the crusade.

Voice of Hope Ministries has been planning for months to get ready for this opportunity. Schools have been contacted, churches have already begun to mobilize, and the scheduling for everything is coming together. While you are here there will be thousands of times that the Gospel is shared and there will be great opportunities for each of you to be involved in making an eternal difference in the lives of thousands of Nicaraguans. We are looking forward to working along side Dr. Ron Phillips, Ronnie fillips Jr. who are influential church leaders at Abba’s House. Dr. Ron Phillips has also written over 20 life changing books and is a very well known and respected author. There will also be a dynamic pastor’s conference that is held during this week with Pastor Johnny Crumpton and Dr. Greg Collins. This is going to be a life changing week for both North Americans and Nicaraguans alike!

What to Bring to the Crusade

First and foremost we want you to bring a willing servants heart! After that then lets get down to the luggage! You are allowed to bring 1 50 lb. suitcase, one carry-on, and a small personal bag. Here is how we want you to fill them.

1. Personal bag-Your personal stuff-
2. Carry-on: At least one change of clothes in case you loose your luggage (it has been known to happen). Usually we can pick up delayed luggage at airport the next day.
3. Suitcase-All of your clothes for the week. If you need more information about what to bring to wear, email Kaylie at kaylie@vohope.com and we will send you a packet of what to wear. If you have never been to Nicaragua do NOT assume you know what you can bring. Let us provide that information to you!
4. Everyone will need to bring the following:
   A) 3 large assorted bags of candy. This can be tootsie rolls, or just the giant mixed bags. Do NOT bring chocolates, they will melt in the heat.
   B) An inexpensive gift for a woman-less than $5.00
   C) 2 gifts for young girls-less than $5.00 each.
   D) 2 gifts for young boys-less than $5.00 each.

These gifts can be baseballs, coloring books, school supplies, and such for kids and a hygiene packet-travel shampoo, soap, lotions, conditioners, and toothbrush and tooth paste for women. (Depending upon the airline, you may only be able to bring one suitcase, pack smart.)

Great Question! It’s like no other mission trip you have ever been on! From beginning to end you feel that you belong to a team that has the greatest purpose in the world - sharing the Gospel. You will sense the drive and the focus of the crusade from the moment you step foot in Nicaragua. You will experience the opportunity to share the Gospel with literally hundreds of people yourself, sometimes on a street corner or in a school or in just one-on-one visitation at somebody’s home. Experienced translators will guide you step by step as you work alongside the staff of Voice of Hope Ministries to share the Gospel. There are countless stories of North Americans who have come on these crusades who have never led someone to Christ who come away with a testimony of leading 10, 20, or even 30 people personally to Christ and arrive home with a new sense of determination to share with others.

Don’t forget! You will need $10.00 to get through Immigration when you arrive in Nicaragua!

VOH Ministries does its best to provide you with reasonable accommodations during your stay in Nicaragua. Your hotel or the team house in Leon has air-conditioned bunk styled rooms and a swimming pool. Meals will be served on site and fresh water will be provided each day to you. When possible we try to put families together in the same room, but there are no guarantees of this. It is on an availability basis.

Nicaragua is a wonderful country to visit and get to know the people. They are interested in knowing you and your lifestyle in the states. Many times North Americans will feel led to do something for the people they meet here in Nicaragua. We encourage you NOT to make any monetary promises to the Nicaraguans you meet here, but to discuss it with our leadership team before a decision is made. Our leadership team can guide you into the proper way of handling situations where you have a desire to meet the needs you see while you are here.

We discourage you from making any political statements or getting into any political discussions with the people of Nicaragua while you are here. Nicaragua is very passionate about its political views and we as a ministry have been blessed to work with people from all political affiliations and desire to do so in the future. Do not let an idol statement be an interference to the furtherance of the Gospel. We have one candidate in our ministry and His name is Jesus! Feel free to talk to anyone and everyone about Him!
